Merry Christmas, Chibishun!

This manga is dedicated to you. Hope you and uke-chan celebrate the merriest, not to mention naughtiest, christmas this year. If not, just tell me and I'll send <- Nude Cheru over to you.

As for those of you who wonder why I did such a ridiculous manga, let me tell you that this is the proof why one should never offer oneself to slavery no matter what XD

Just kidding. This is a disturbingly hillarious manga and I enjoyed working on it.
